Tech enthusiast with ~1 years of experience in the industry. Demonstrated expertise in front-end and back-end development, with a strong focus on delivering high-quality, user-centric applications. Proven ability to collaborate effectively in cross-functional teams to achieve project milestones and deliverables. Seeking to leverage technical skills and practical experience to contribute to innovative projects in a challenging and growth-oriented environment.

TECHNICAL SKILLS

HTML5 | CSS3 | JavaScript | Node.js
React.js | Express.js | MongoDB | Redis
Redux | AWS | DSA | Git | REST APIs
TypeScript | GraphQL | Socket.io | Apache
Kafka | Bootstrap | Chakra-UI

SOFT SKILLS

Teamwork | Time Management | Problem-solving | Adaptability | Effective Communication | Attention to detail

EDUCATIONAL BACKGROUND

Full Stack Web Developer
Masai School , Bengaluru
June 2022 - May 2023

Bachelor Of Science
Sant Gadge Baba Amravati University
June 2014 - July 2017

WORK EXPERIENCE

Full Stack Web Developer
Orion Express Logistics Pvt Ltd
June 2023 *to Present*   *Pune, India*

Achievements / Tasks

- Demonstrated prowess in crafting dynamic, responsive user interfaces using React, coupled with seamless state management through Redux and debugging.

- Engineered back-end with a tech stack featuring MongoDB, Node.js, Express, and GraphQL, delivering scalable and resilient solutions.Collaborated closely on data storage, implementing optimizations

- Implemented ACID transaction concepts in the back-end processes, ensuring data consistency and reliability. This approach prevented the storage of incomplete or erroneous data, maintaining system integrity even in the face of errors.

PROJECTS

Ease My Transport - EMT
Developed a mobile platform where users can post loads for transportation, allowing truck drivers to bid on them. Facilitated efficient logistics management through real-time bidding and scheduling functionalities.

Headtler - ERP
A full-fledged accounting software capable of managing all your business transactions.

ShopZen.com (DailyObjects Clone)
Shopzen is a fully responsive e-commerce platform that includes built-in functionalities for user login, shopping cart management, and favoriting items. The payment functionality is integrated using the Razorpay API.
